To whom It May Concern

Reference: Paul East (The Pyramid Group)

This is a reference for Paul East who has cooperated with TU Dresden for the past 22 years in multiple EU international projects and also teaching students and staff at TU Dresden.

Paul has provided training in English language skills for the above mentioned international projects in Europe, the Baltic states and Central Asia as our partner and for the Centre of Applied Languages and culture in addition to training in marketing to students of the Faculty of Business Administration.

He has proved to be a very valuable partner throughout. He is a highly skilled and dedicated professional with a strong work ethic. His language courses offer an enriching and personalised learning experience, and participants are provided with English skills for use in the 21st century as well as a lively and immersive cultural understanding inputs

We have no hesitation in recommending him and wish him well in any new endeavours and, at the same time, look forward to our continued cooperation with him.

If there are questions or if any additional information is required, please do not hesitate to contact me as per above.

Yours faithfully,

Gerard Patrick Cullen
